SAFE ROOM AVAILABLE TO ALL CITIZENS

Citizens who do not have access to a basement or any other protection during severe weather are encouraged to take advantage of the safe room, which is located at the Vine Grove Fire Department, at 513 Highland Avenue.

The Safe Room was constructed to accommodate approximately 500 people, on a short-term basis. It is not intended to be a long-term shelter, but it will give refuge during extreme weather events.

Citizens need not wait for someone to be on the scene to open the doors, as the doors may be unlocked remotely by Fire Chief Steve New. The moment he receives notification that severe weather is on the way, he can unlock the door remotely, thereby allowing citizens immediate access to safety.
