### JULY YARD OF THE MONTH

Mayor Ogden and The Yard of the Month Committee selected Richard & Jacqueline Collins as the July yard of the month. (Left to Right) Mike Bradfield, committee member, Jacqueline Collins, Richard Collins, and Councilwoman Hudson. Congratulations to the Collins' on their beautiful yard!

### PARKING ON STREETS PROHIBITED

State KRS 189.450 prohibits parking on city streets. Parked cars are an obstacle for emergency vehicles, and can create other traffic hazards for motorists.

Some older neighborhoods of Vine Grove do not have adequate off street parking. We advise you to seek permission from neighbors, and utilize parking lots if permissible. This also applies to any contractors that may be doing maintenance at your residence. Please advise them to seek off-street parking options.

The Vine Grove Police Department has the option of issuing a parking ticket to the owner of a vehicle if parked on a city street.

### STORM WATER PROJECTS

Within the next few months the City will be addressing several storm water projects. There are three main projects, and many smaller ones.

The City's Engineer, Bob Woosley, has compiled a priority list of which projects would be completed first based on priority.

The major project will be the Main Street business district. There will most likely be detours. The City will put out more information on our City Facebook page before the project begins.

### BACK TO CHURCH SUNDAYS

Vine Grove Christian Church is encouraging everyone in to return back to church services. With the community opening back up after the Pandemic, the mask mandate, and social distancing guidelines being lifted, Vine Grove Christian hopes to see more members become involved in services and activities.

On Sunday, September 19th, Vine Grove Christian is offering a free cook out for the community. Their Sunday Church service begins at 11 a.m., with the cook out immediately following. They hope everyone will join!

To reach Vine Grove Christian Church you can call Evan Hardwick at 270-877-5558, or email: [evan.hardwick@vinegrovecc.com](mailto:evan.hardwick@vinegrovecc.com).

## BUSINESS SPOTLIGHTS:

### PRECISION AUTOMOTIVE

Precision Automotive was established at 656 Highland Avenue, Vine Grove, in December 2010 by Sherry, Andrew, and Matthew Dale. The building itself is nostalgic for the Dale family. Andrew Dale is the Master Mechanic, ASE certified, and an avid disc golf enthusiast. He has years of experience working on all cars especially imports. His wife, Traci, will soon join the family business as office manager. Their future plan is to also sell used cars. To make an appointment you can contact Precision Automotive: 270-877-5757. They also have an open mechanic's position (experience preferred).
